1. Universal-dredgers. The Leobersdorfer machine factory is in a position to supply monthly two Universal-dredgers. The price is calculated as follows:

316,280 each

3,050 19

2,340 "

2.130 "

3. Diesel motors of the Leobersdorfer machine factory. Although no engines are on stock, the factory could produce series of five to 30 pieces within about three to four months. In view of their construction and their low r.p.m. as well as the changeability of r.p.m. in the gears, these engines are very popular.
